## Shepherd's Food In-Gathering, 2006

The Shepherd's Committee will be collecting food items in October and November to help less fortunate families in our community enjoy the holidays. Last year we were able to help 28 families.

We need everyone's help. Suggested items include canned vegetables and fruits, canned meats, pork and beans, soup, spaghetti, noodles, macaroni and cheese, rice, peanut butter, jams and jellies.

Please bring your food items to the church - the collection area is in the narthex. We will be accepting donations through November 21st.
